ORDER:

In the letter read above, the Chief Engineer (R&B) CRN & MD, APRDC, has stated that the following two works are the assurances made by the Hon'ble Chief Minister on 04.06.2015 in Velpuru village in connection with Janmabhoomi-Maavuru programme; in Tanuku Assembly constituency, West Godavari District:

(i) Improvements to Tanuku –Bhimavaram road from Km: 4.500 to 6.200 (Velpuru Village) and;

(ii) Improvements to Tanuku –Bhimavaram road from Km: 7.800 to 9.200 (Relangi Village)

2. The Chief Engineer (R&B) CRN & MD, APRDC, has also stated that Tanuku-Bhimavaram road is an important SH. The road begins at Km:133/429 on Vijayawada -Visakhapatnam road in Tanuku town limits and ends at Bhimavaram. Transport of the agriculture produce like Paddy, Coconut and Sugar cane is mainly done through this road to the nearest market-yards. The traffic volume on the above road is very high due to its connecting road network with nearby important villages and existence of number of industries, educational institutes and hospitals.

3. The Chief Engineer (R&B) CRN & MD, APRDC, AP, has further stated that the proposed reach from km 4.500 to 6.200 and from Km 7.800 to 9.200 of Tanuku-Bhimavaram road is passing through Velpuru and Relangi village limits respectively, where these road reaches are located in low lying areas with very narrow shoulders on either side. The rain water is getting stagnated on the carriageway itself, thus leading to damage of the BT surface and traffic moves with great difficulty during every rainy season. It is highly essential to provide C.C. Pavement in both the village limits to maintain traffic worthiness and durability of the road in the long run. Further, the soils along the Tanuku - Bhimavaram road are Black Cotton soils with CBR 4% and the traffic intensity is 5130 CVPD. No land acquisition is required for the above said works and shifting of electrical poles will be taken up during the execution of work.

4. The Chief Engineer (R&B) CRN & MD, APRDC, AP; has requested to accord Administrative Sanction for the two (2) works of **(i)** Improvements to Tanuku –Bhimavaram road from Km: 4.500 to 6.200 (in Velpuru Village) for an amount of Rs.3.60 Crores and; **(ii)** Improvements to Tanuku – Bhimavaram road from Km: 7.800 to 9.200 (in Relangi Village) for an amount of Rs.2.90 Crores; in West Godavari District; under Corenet Plan.
